

We are invited to join millions of people who will Drop, Cover, and Hold On, on **October 15th at 10:15 a.m.**, in the 2015 Great California ShakeOut! Last year more than 9.4 million people were registered in ShakeOut drills worldwide. Participating is a great way for your family or organization to be prepared to survive and recover quickly from big earthquakes. Then, on October 15, 2015, at 10:15 we ask all residents, businesses and community members to participate in the exercise by simulating Drop, Cover and Hold On at their homes and work places, and also to consider hazards around them that could cause injury.
